### SMART - WAYNE COUNTY BALLOT PROPOSAL

Vote **YES** for the 0.9949 millage renewal through 2025 to provide funding for the Suburban Mobility Authority for Regional Transportation (SMART) which serves the elderly, disabled, and general public of Wayne County.

- see reverse side for more endorsements -

### Ballot Proposal 1: Vote YES to change term limits

Creates stricter financial disclosure rules and establishes a flat 12-year cap on state lawmakers' time in office. Current term limits have resulted in a lack of experienced legislators and sharply increased the power of lobbyists.

### Ballot Proposal 2: Vote YES to promote voting rights

Would establish nine days of early voting and other measures to promote voting rights. The changes would be written into the state constitution to stop legislation aimed at limiting voting rights.

### Ballot Proposal 3: Vote YES to protect reproductive health rights

Guarantees every individual a "fundamental right to reproductive freedom." This ensures the right to make decisions about pre-natal care, childbirth, postpartum care, contraception, abortion, sterilization, miscarriage management and infertility care.
